

The background of the slide features a close-up photograph of hands assembling a puzzle. Most of the puzzle pieces are white, but one piece in the center-left is a vibrant red. The hands are positioned around the red piece, suggesting it is being placed or adjusted. The lighting is soft, highlighting the texture of the puzzle pieces and the skin of the hands.

・Sites > Branch > Site

The screenshot displays the H3C Cloudnet management interface. On the left sidebar, the 'Sites' menu item is highlighted with a red box and a circled '1'. At the top of the main content area, the 'Branch: PJ_DEMO' and 'Site: TS Demo' dropdown menus are highlighted with a red box and a circled '2'. The main dashboard shows various metrics and charts, including 'Online Device Ratio', 'Device Version', 'System Usage', 'Uptime', and 'Alarm Severity'. Below the dashboard, the 'Site Summary' section displays 'Cloudnet' logo, 'AC' status (0 Online Devices, 1 Total Devices), and 'Client' status (0 Online Clients). The 'Device Information' section includes a table with columns for State, Device Name, Category, Model, Site, and Device Version. The table contains one entry: WX2510H-F, AC, WX2510H-F-PWR, TS Demo, Release 5452P03. The 'Network Topology' section is partially visible at the bottom.

Service > Report Management

①

The screenshot displays the H3C Cloudnet management interface. The top navigation bar includes 'Network', 'Smart O&M', and 'Service'. The 'Service' tab is highlighted with a red box and a circled '1'. A dropdown menu is open under 'Service', listing various management options. 'Report Management' is highlighted with a red box and a circled '2'. The main content area shows a 'Site Summary' section with a 'Device List' table. The table has the following data:

State	Device Name	Category	Model	Site	Device Version
●	WX2510H-F	AC	WX2510H-F-PWR	TS Demo	Release 5452P03

Below the table, there are controls for 'Auto Refresh' (set to OFF), 'Recalculate', and 'Discover Devices'. The interface also shows a 'Network Topology' section and a 'Device Information' section with various management actions like Refresh, Delete, Restart, Upgrade, etc.

O&M Reportsの+ Addを選択します

The screenshot shows the H3C O&M Reports management interface. The top navigation bar includes the H3C logo and tabs for 'Network' and 'Smart O&M'. The left sidebar contains 'O&M Reports' (selected) and 'Users'. The main content area shows the 'O&M Reports' section with a breadcrumb 'Branch: PJ_DEMO Site: TS Demo'. Below the breadcrumb are four buttons: 'Refresh', '+ Add' (highlighted with a red box), 'Bulk Delete', and 'Report Pushing Records'. A table with the following headers is visible below the buttons:

<input type="checkbox"/>	Report Name	Report Type	Site	Pushing Interval

The screenshot shows the H3C O&M Reports configuration interface. The main page is titled "O&M Reports" and includes a sidebar with "Users" and "O&M Reports" sections. The main content area is titled "Add Report Configuration" and contains several form fields:

- * Report Name: Daily Network Status Report
- * Site Name: TS Demo
- Report Type: Network O&M
- Pushing Interval: Daily
- Report Format: HTML

Below these fields is the "Receiver Accounts" section, which includes a red circled "1" and a red-bordered "+ Add Email" button. At the bottom of the main form are "Save" and "Cancel" buttons.

An "Email Addresses" dialog box is open, showing a table of accounts. The dialog has a red circled "2" and a red-bordered "Add Account" button. The table contains one entry:

<input type="checkbox"/>	Account Name	Remarks	Q
<input type="checkbox"/>	koshiro		

The dialog also includes a "Refresh" button, pagination information ("Total entries: 1, current entries: 1 - 1. Page 1 of 1"), and "OK" and "Cancel" buttons.

The screenshot shows the H3C O&M Reports interface. The top navigation bar includes 'Network', 'Smart O&M', and 'Service'. The main content area displays a table of O&M Reports. The table has the following columns: Report Name, Report Type, Site, Pushing Interval, Report Format, Pushing Method, Receiver, Remarks, Created At, and Actions. Two entries are listed:

<input type="checkbox"/>	Report Name	Report Type	Site	Pushing Interval	Report Format	Pushing Method	Receiver	Remarks	Created At	Actions
<input type="checkbox"/>	WX2510H-F_Weekly	Network O&M Report	TS Demo	Weekly	PDF	✉	1		2022-04-16 06:18:53	📄 🗑️
<input type="checkbox"/>	WX2510H-F	Network O&M Report	TS Demo	Daily	PDF	✉	1		2022-04-16 06:02:02	📄 🗑️

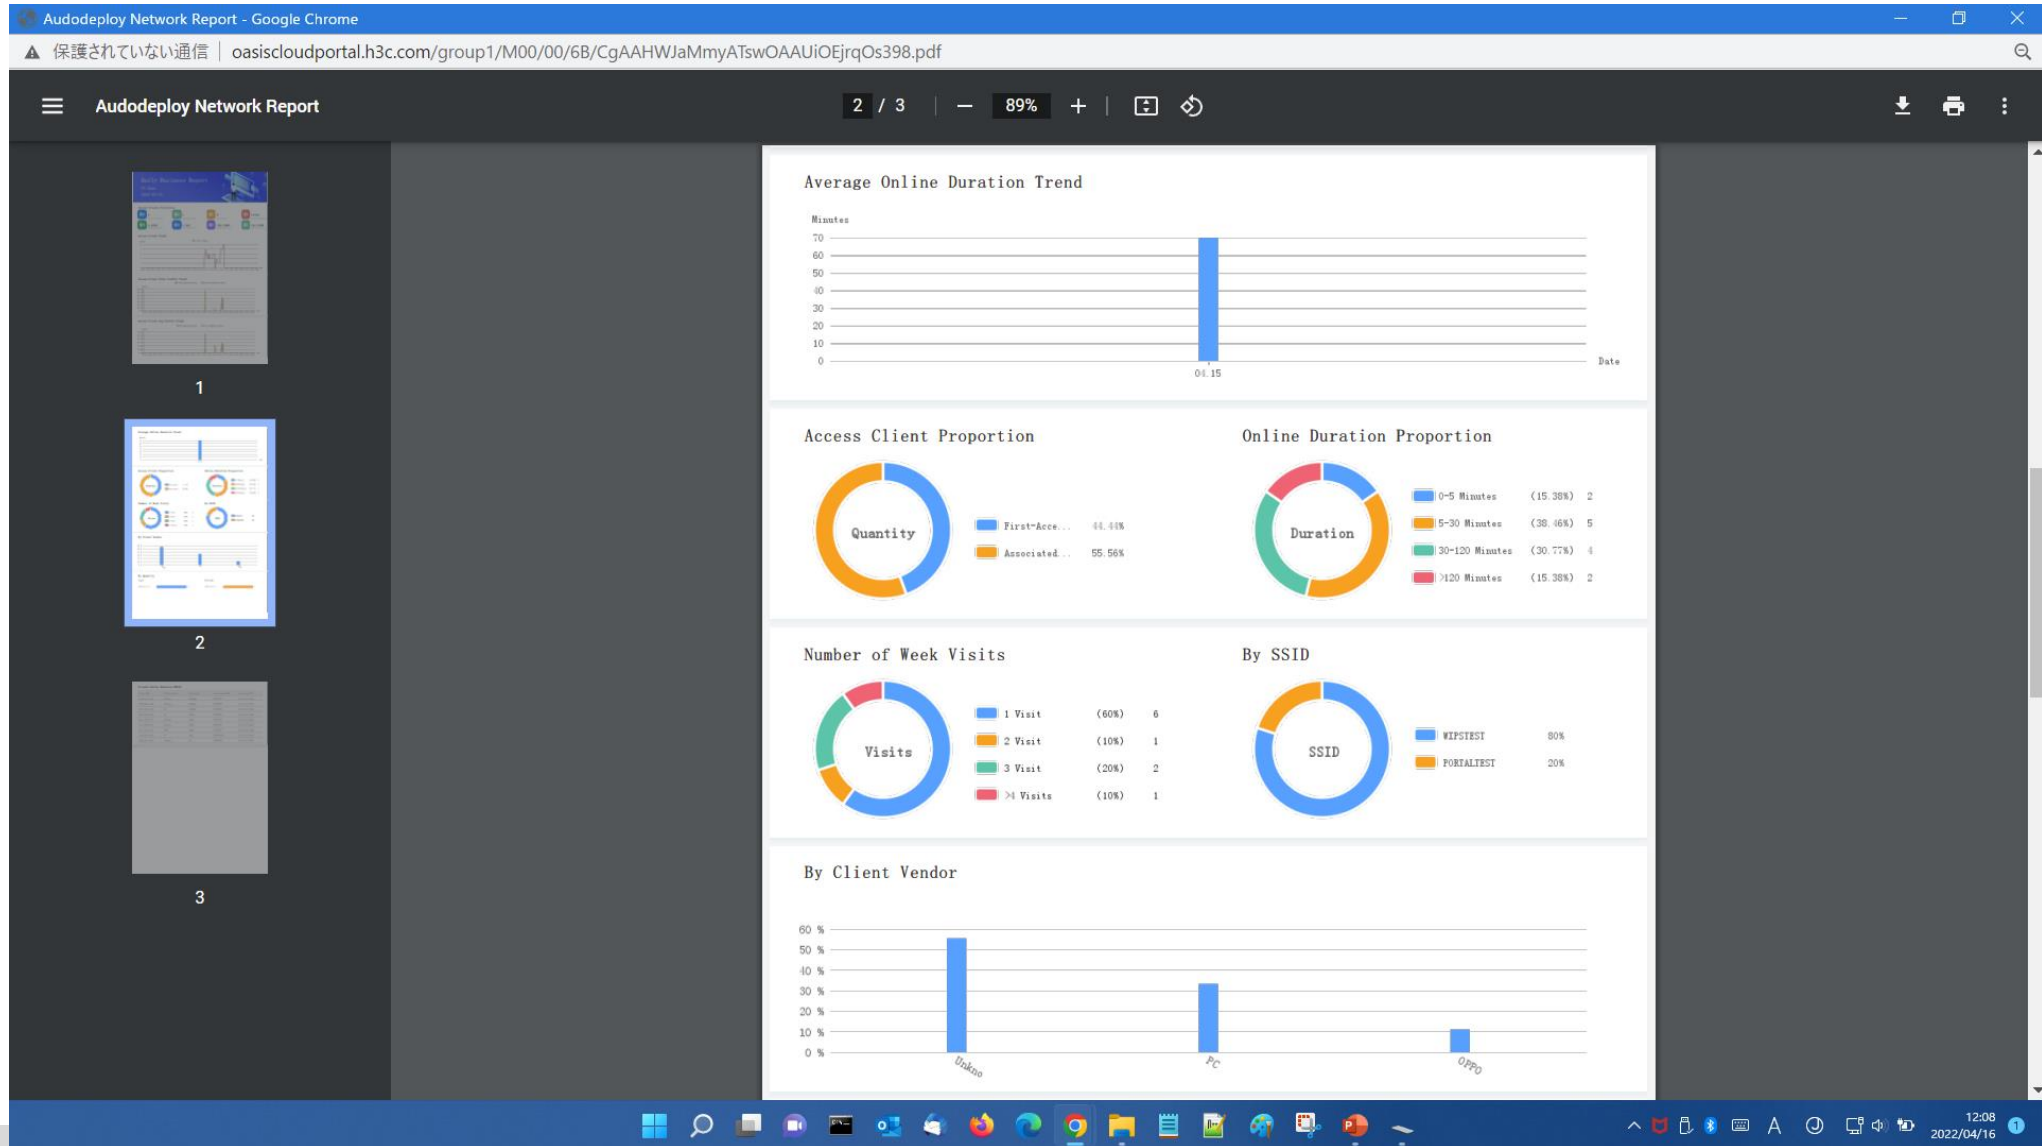

A red arrow points to the 'PDF' link in the 'Report Format' column of the 'WX2510H-F' row. Below the table, the text 'Total entries: 2, current entries: 1 - 2. Page 1 of 1' is visible. At the bottom right, there is a pagination control showing '1' and '10 Entries...'.
